PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON THURSDAY, JUNE 19, 2014

The 2013 annual report to stockholders, including financial statements, is being mailed to stockholders together with these proxy materials on or about May 6, 2014.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS, ANNUAL MEETING AND VOTING

Why am I receiving these proxy materials?

Our board of directors is soliciting your proxy to vote your shares of our common stock at the 2014 annual meeting of stockholders because you owned shares of our common stock at the close of business on April 25, 2014, the record date for the annual meeting, and are therefore entitled to vote at the annual meeting. This proxy statement, along with a proxy card and the 2013 annual report, is being mailed to stockholders of record beginning on or about May 6, 2014. We have made this proxy statement and the 2013 annual report available to you on the Internet and we have delivered printed proxy materials to you. This proxy statement summarizes the information that you need to know in order to cast your vote at the annual meeting. You do not need to attend the annual meeting in person to vote your shares of our common stock.

What is a proxy?

A proxy is your legal designation of another person to vote your shares of our common stock. The written documents providing notice of the annual meeting and describing the matters to be considered and voted on are called a "notice" and a "proxy statement," respectively. The document used to designate a proxy to vote, and to provide voting instructions on how to vote, your shares of our common stock at the annual meeting is called a "proxy card." Collectively, the notice, proxy statement and proxy card are called the "proxy materials." Our board of directors has designated two of our officers, Keith G. Myers and Donald D. Stelly, to act as proxies for the annual meeting for any stockholder of record returning a signed and dated proxy card.

When and where will the annual meeting be held?

The annual meeting will be held at 10:00 a.m. (Central Time), on Thursday, June 19, 2014, at our principal executive offices located at 420 West Pinhook Road, Suite A, Lafayette, Louisiana 70503.

Who is soliciting my proxy?

Our board of directors is soliciting your proxy to vote your shares of our common stock on all matters properly coming before the 2014 annual meeting of stockholders, whether or not you attend in person. By submitting your proxy and voting instructions via the Internet or by telephone, or by dating, signing and returning a proxy card, you are authorizing the proxy holders to vote your shares of our common stock at the annual meeting as you have instructed, if applicable.

On what matters will I be voting?

At the annual meeting, our stockholders will be asked to vote on the following matters:

1. the election of the three Class III director nominees, who are named in this proxy statement, nominated by our board of directors to serve for a term of three years and until their successors are elected;
2. the adoption, on an advisory basis, of a resolution approving the compensation of our named executive officers, as described in this proxy statement; and
3. the ratification of the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014.

Our stockholders will also be asked to consider any other business that properly comes before the annual meeting. We do not expect any matters to be presented for action at the meeting other than the items described in this proxy statement. For more information on the matters to be considered at the annual meeting, see “Could other matters be considered and voted upon at the annual meeting?” below.

How does the board of directors recommend that I cast my vote?

Our board of directors unanimously recommends that you vote:

- **FOR** the election of all of the Class III director nominees;
- **FOR** the adoption, on an advisory basis, of the resolution approving the compensation of our named executive officers; and
- **FOR** the ratification of the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2014.

We do not expect any matters to be presented for action at the meeting other than the items described in this proxy statement. However, by submitting your proxy and voting instructions via the Internet or by telephone, or by dating, signing and returning a proxy card, you will give to the persons named as proxies discretionary voting authority with respect to any other matter that may properly come before the annual meeting, and they intend to vote on any such other matter in accordance with their discretion.

How many votes may I cast?

You have one vote for every share of our common stock that you owned on April 25, 2014, the record date for the annual meeting.

How many shares of common stock are eligible to be voted?

As of the record date for the annual meeting, we had 17,789,647 shares of our common stock outstanding, each of which entitles the holder to one vote.

How many shares of common stock must be present to hold the annual meeting?

Our bylaws provide that the presence at the annual meeting, whether in person or by proxy, of the holders of a majority of the voting power of the outstanding shares of our common stock entitled to vote in the election of directors constitutes a quorum necessary to properly convene a meeting of our stockholders. The inspector of elections will determine whether a quorum exists. Abstentions will be treated as shares present for quorum purposes, but broker non-votes will not be counted as present for purposes of a quorum, since brokers are not entitled to vote in the election of directors without instructions from the beneficial owner. For more information, see “What happens if I do not submit voting instructions for a proposal? What is discretionary voting? What is a broker non-vote?” below.

How do I vote?

Stockholder of Record.

If your shares of our common stock are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered the stockholder of record with respect to those shares, and these proxy materials were sent directly to you by us.

If you are a stockholder of record, there are four ways to ensure your shares of our common stock are represented and voted at the annual meeting:

- *Via the Internet.* You may submit your proxy and voting instructions via the Internet at the web address shown on your proxy card;
- *By Telephone.* You may submit your proxy and voting instructions by calling the toll-free number found on your proxy card;
- *By Mail.* You may submit your proxy and voting instructions by dating and signing the proxy card and returning it promptly in the envelope provided; or
- *In Person.* You may vote your shares of our common stock in person at the annual meeting. If you desire to vote your shares of our common stock in person at the annual meeting, please request a ballot when you arrive.

Only the latest dated proxy received from you, whether via the Internet, or by telephone or mail, will be used by the proxies to vote your shares at the annual meeting. If you submit your proxy and voting instructions via the Internet or by telephone, please do not mail your proxy card.

Beneficial Owner of Shares Held in Street Name.

If your shares of our common stock are held in a stock brokerage account by a bank, broker, trustee, or other nominee, you are considered the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your bank, broker, trustee or other nominee that is considered the holder of record of those shares. As the beneficial owner, you have the right to direct your bank, broker, trustee or other nominee on how to vote your shares of our common stock via the Internet or by telephone if the bank, broker, trustee or other nominee offers these options or by completing, signing and returning a voting instruction form. Your bank, broker, trustee or other nominee will send you instructions for submitting your voting instructions for your shares of our common stock. For a discussion of the rules regarding the voting of shares held by beneficial owners, please see “What happens if I do not submit voting instructions for a proposal? What is discretionary voting? What is a broker non-vote?” below.

What happens if I do not submit voting instructions for a proposal? What is discretionary voting? What is a broker non-vote?

If you properly complete, date, sign and return a proxy or voting instruction form, your shares of our common stock will be voted as you specify. If you are a stockholder of record and you do not provide voting instructions on your proxy card, your shares of our common stock will be voted in accordance with the recommendations of our board of directors, as provided above.

If you are a beneficial owner and you do not provide voting instructions to your bank, broker, trustee or other nominee holding shares of our common stock for you, your shares of our common stock will not be voted with respect to any proposal for which your holder of record does not have discretionary authority to vote. If a proposal is determined to be *discretionary*, your bank, broker, trustee or other nominee is permitted under the applicable rules to vote on the proposal without receiving voting instructions from you. If a proposal is determined to be *non-discretionary*, your bank, broker, trustee or other nominee is not permitted under the applicable rules to vote on the proposal without receiving voting instructions from you. A “broker non-vote” occurs when a bank, broker, trustee or other nominee holding shares for a beneficial owner does not vote on a *non-discretionary* proposal because the stockholder of record has not received voting instructions from the beneficial owner.

Under the applicable rules, the proposal relating to the ratification of the appointment of our independent registered public accounting firm is a discretionary proposal. Accordingly, if you are a beneficial owner and you do not provide voting instructions to your bank, broker, trustee or other nominee holding shares for you, your shares may be voted with respect to the ratification of the appointment of our independent registered public accounting firm.

Under the applicable rules, the proposals relating to the election of the director nominees and the compensation of our named executive officers are non-discretionary proposals. Accordingly, if you are a beneficial owner and you do not provide voting instructions to your bank, broker, trustee or other nominee holding shares for you, your shares will *not* be voted with respect to the election of the three Class III director nominees, or on the approval, on an advisory basis, of the compensation of our named executive officers. Without your voting instructions on these matters, a broker non-vote will occur with respect to your shares. Shares subject to broker non-votes will not be included in calculating the number of votes necessary for approval of such matter nor will such shares be considered present at the annual meeting for purposes of determining the existence of a quorum.

What vote is required, and how will my votes be counted, to elect the director nominees and to approve each of the other proposals discussed in this proxy statement?

<u>Proposal</u>	<u>Voting Options</u>	<u>Vote Required to Adopt the Proposal</u>	<u>Effect of Abstentions</u>	<u>Effect of Broker Non-Votes</u>
No. 1: Election of three Class III director nominees	For all nominees; withhold vote for all nominees; or for all nominees except for nominees indicated	Plurality of votes cast	No effect	No effect
No. 2: Approval, on an advisory basis, of the compensation of our named executive officers	For, against or abstain	Affirmative vote of a majority of the voting power present in person or by proxy and entitled to vote on the proposal	Treated as votes against	No effect
No. 3: Ratification of the appointment of our independent registered public accounting firm	For, against or abstain	Affirmative vote of a majority of the voting power present in person or by proxy and entitled to vote on the proposal	Treated as votes against	N/A

In contested elections (where the number of nominees exceeds the number of directors to be elected) and in uncontested elections, our directors are elected by a plurality of the votes cast. Under our bylaws, all other matters require the affirmative vote of the holders of a majority of the voting power present in person or by proxy and entitled to vote on the proposal.

Can I revoke or change my voting instructions after I deliver my proxy?

Yes. Your proxy can be revoked or changed at any time before it is used to vote your shares of our common stock by: (1) notice in writing to our Corporate Secretary; (2) our timely receipt of another proxy with a later date; or (3) voting in person at the annual meeting. Your attendance alone at the annual meeting will not be enough to revoke your proxy.

How will votes be counted?

An inspector of elections will be appointed to, among other things, determine the number of shares of our common stock outstanding on the record date, the number of shares of our common stock represented at the annual meeting, the existence of a quorum and the authenticity, validity and effect of proxies, to receive votes of ballots, to hear and determine all challenges and questions in any way arising in connection with the right to vote, to count and tabulate all votes and to determine the results of the matters considered at the annual meeting.

Who pays for soliciting proxies?

We pay all expenses of soliciting proxies for the annual meeting. In addition to solicitations by mail, arrangements have been made for brokers, banks, trustees and other nominees to send proxy materials to the beneficial owners, and we will reimburse them for their reasonable expenses. We may have our employees or other representatives (who will receive no additional compensation for their services) solicit proxies by telephone, e-mail, personal interview or other means.

Could other matters be considered and voted upon at the annual meeting?

Our board of directors does not expect to bring any other matter before the annual meeting, and it is not aware of any other matter that may be considered at the annual meeting. In addition, pursuant to our bylaws, the time has elapsed for any stockholder to properly bring a matter before the annual meeting. However, if any other matter does properly come before the annual meeting, the proxy holders will vote the proxies in their discretion.

What happens if the annual meeting is postponed or adjourned?

Unless a new record date is fixed, your proxy will still be valid and may be used to vote your shares at the postponed or adjourned annual meeting. You will still be able to change or revoke your proxy until it is used to vote your shares.

Do I need identification to attend the annual meeting in person?

Yes, please bring proper identification. If you are a beneficial owner, please also bring acceptable proof of ownership, such as a letter from your broker, bank, trustee or other nominee or an account statement showing that you beneficially owned shares of our common stock on the record date.

How can stockholders present proposals and director nominations for our 2015 annual meeting?

If a stockholder wants to have a proposal formally considered at our 2015 annual meeting of stockholders and included in our 2015 proxy statement, we must receive the proposal in writing at our principal executive offices by January 6, 2015, and the proposal must comply with applicable rules of the Securities and Exchange Commission ("SEC").

If a stockholder wants to make a proposal or submit a director nomination for consideration at our 2015 annual meeting of stockholders but does not wish to have it included in our proxy statement, we must receive the proposal in writing at our principal executive offices no earlier than February 5, 2015 and no later than March 7, 2015. If the date of the 2015 annual meeting of stockholders is more than 30 days before or after June 19, 2015 (the anniversary date of the 2014 annual meeting of stockholders), to be timely, the stockholder must deliver notice no later than the close of business on the later of 90 days prior to the 2015 annual meeting of stockholders or 10 days following the day on which the company first makes public announcement of the date of the 2015 annual meeting of stockholders. See the section titled "The Board of Directors and Corporate Governance – Director Nominee Evaluation Process" for additional information about stockholder nominations. All stockholder proposals and director nominations must comply with the requirements of our bylaws. The requirements of our bylaws are separate from and in addition to the applicable rules of the SEC that a stockholder must meet in order to have a stockholder proposal included in our proxy statement.

The address of our principal executive offices to which proposals and nominations should be directed is 420 West Pinhook Road, Suite A, Lafayette, Louisiana 70503.

THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Independence of Directors

Our board of directors has reviewed the independence of each of our directors in light of the definition of “independent director” in the applicable listing standards of the Nasdaq Stock Market, LLC (“NASDAQ”). As a result of this review, we affirmatively determined that all of our directors are independent, with the exception of Keith G. Myers, our Chief Executive Officer, and John L. Indest, who was employed by the company until August 31, 2011 and currently serves as a consultant to the company.

In determining the independence of each director pursuant to the applicable rules, we evaluated four relationships that did not constitute related party transactions and, therefore, do not require disclosure pursuant to Item 404(a) of Regulation S-K. In considering whether Dan S. Wilford qualifies as an independent director, we reviewed the company’s employment arrangement with Ned B. Wilford, the brother of Dan Wilford. We concluded that the employment arrangement did not disqualify Dan Wilford as an independent director. Second, in considering whether Senator John B. Breaux qualifies as an independent director, we reviewed the company’s relationship with Patton Boggs, which provides consulting services to the company, and of which Senator Breaux is Senior Counsel. We concluded that the relationship did not disqualify Senator Breaux as an independent director. Third, in considering whether Congressman W.J. “Billy” Tauzin qualifies as an independent director, we reviewed the company’s relationship with Alston & Bird, which provides legal and policy related services to the company, and of which Congressman Tauzin served, throughout 2013 and until March 1, 2014, in a consulting capacity as Special Legislative Counsel. We concluded that the relationship did not disqualify Congressman Tauzin as an independent director. Finally, in considering whether Christopher S. Shackelton qualifies as an independent director, we reviewed the company’s relationship with Coliseum Capital Management, LLC, which beneficially owns more than 10% of our outstanding shares of common stock, and of which Mr. Shackelton is the managing partner. We concluded that the relationship did not disqualify Mr. Shackelton as an independent director.

Board Leadership Structure; Succession Planning

Our board of directors currently combines the role of Chairman of the Board with the role of Chief Executive Officer. We have also established a Lead Director position held by an independent director to further strengthen our governance structure. We believe this structure provides an efficient and effective leadership model for the company. Combining the Chairman and Chief Executive Officer roles fosters clear accountability, effective decision-making, and alignment on corporate strategy, while appointing a Lead Director ensures that an independent director serves in a board leadership position, allowing our independent directors to effectively oversee company management and key issues related to strategy, risk and integrity. To further assure effective independent oversight, we have adopted a number of governance practices, including:

- executive sessions of our independent directors after every board meeting; and
- annual performance evaluations of the Chairman and Chief Executive Officer by our independent directors.

Congressman Tauzin has served as our Lead Director since January 2005. The Lead Director’s duties include preparing and reviewing agendas and minutes of committee meetings and pertinent board issues and presiding at regularly scheduled executive sessions and other meetings of our independent directors.

We recognize that no single leadership model is right for all companies and that, depending on the circumstances, other leadership models, such as one providing for a separate independent Chairman of the Board, might be appropriate. Accordingly, our board of directors periodically reviews our leadership structure.

A key responsibility of the Chief Executive Officer and our board of directors is ensuring that an effective process is in place to provide continuity of leadership over the long term at all levels in the company. Each year, succession-planning reviews are held at every significant organizational level of the company. During this review, the Chief Executive Officer and the members of the Nominating and Corporate Governance Committee discuss future candidates for senior leadership positions, succession timing for those positions, and development plans for the highest-potential candidates. This process ensures continuity of leadership over the long term, and it forms the basis on which the company makes ongoing leadership assignments. It is a key success factor in managing the long-term planning and investment lead times of our business.

In addition, the Chief Executive Officer maintains in place at all times, and reviews with the Nominating and Corporate Governance Committee periodically, a confidential plan for the timely and efficient transfer of his responsibilities in the event of an emergency or his sudden incapacitation or departure.

Risk Oversight

Our enterprise risk management is an overarching ongoing governance process for identifying, ranking, and managing the risks of our business. Top risks that have been identified through this process are managed by the executive team and assigned to the senior managers responsible for coordinating the monitoring, reporting and risk mitigation activities associated with such risks, which may be financial, operational or strategic in nature. Senior managers periodically provide detailed reports to our board of directors or its committees. Accountability to a committee of our board of directors is based on the nature of the risk and the applicable responsibilities of the committee. For all other risks not applicable to a committee, accountability is with our board of directors. For example, financial related risks are reviewed by the Audit Committee, governance related risks are reviewed by our Nominating and Corporate Governance Committee, while strategic risks are reviewed by our full board. Our board of directors has delegated to the Compensation Committee the responsibility of assessing the risks associated with our compensation practices and policies for employees, including a consideration of the counterbalance of risk-taking incentives and risk-mitigating factors in our practices and policies.

Based on the results of the Compensation Committee's risk assessment, management has concluded that our current compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on the company. Our management also believes that our incentive compensation arrangements do not encourage risk-taking beyond our organization's ability to effectively identify and manage significant risks, are compatible with effective internal controls and our risk management practices, and are supported by the oversight and administration of the Compensation Committee with regard to executive compensation programs.

Committees and Meetings of the Board of Directors

During 2013, our board of directors held six meetings and took additional action, from time to time, by unanimous written consent. All of our directors attended at least 75% of the aggregate number of meetings held in 2013 by our board of directors and its committees on which he or she served. Three members of our board of directors attended the 2013 annual meeting.

We have adopted a policy relating to executive sessions of our board of directors. Under this policy, no less frequently than semi-annually, our board of directors is required to meet in executive sessions in which independent directors meet separately from our non-independent directors and members of management. Although the policy only requires semi-annual meetings in executive sessions, our board of directors often holds an executive session in connection with each board meeting. The independent members of our board of directors held four executive sessions during 2013.

We have established five committees of our board of directors: the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee, the Clinical Quality Committee and the Corporate Development Committee, each of which is briefly described below. The following table shows the membership of these committees during 2013:

<u>Name</u>	<u>Audit</u>	<u>Compensation</u>	<u>Nominating and Corporate Governance</u>	<u>Clinical Quality</u>	<u>Corporate Development</u>

** Effective at the 2014 annual meeting to be held on June 19, 2014, Mr. Ted W. Hoyt will retire as a member of our board of directors.

Audit Committee

During 2013, the Audit Committee held eight meetings and took additional action by unanimous written consent. The members of the Audit Committee during 2013 were Messrs. Hoyt, Lewis, Shackelton and Wilford, with Mr. Lewis serving as Chair. We have determined that each member of the Audit Committee is “independent” as defined in Rule 10A-3 of the Securities Exchange Act of 1934 (the “Exchange Act”) and the listing standards of NASDAQ, including rules specifically governing audit committee members. Effective at the 2014 annual meeting to be held on June 19, 2014, Mr. Ted W. Hoyt will retire as a member of our board of directors. We have also determined that Mr. Lewis is an “audit committee financial expert,” as defined by Item 407(d)(5) of Regulation S-K. A description of Mr. Lewis’ qualifications with regard to his status as an audit committee financial expert can be found in the biographical information set forth in the section titled “Information about Director Nominees, Continuing Directors and Management.”

The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Exchange Act and the charter of the Audit Committee is available on our website at www.lhcgroup.com under Investors - Corporate Governance.

The Audit Committee performs the following functions, among others:

- Selects our independent registered public accounting firm (whose duty it is to audit the financial statements of the company and its subsidiaries for the fiscal year in which it is appointed) and has the sole authority and responsibility to approve all audit and engagement fees and terms, as well as all permitted non-audit services by our independent auditors;
- Meets with the independent auditors and management of the company to review and discuss the scope of the audit and all significant matters related to the audit;
- Reviews the adequacy and effectiveness of our internal controls regarding accounting and financial matters;
- Reviews the company’s financial statements and discusses them with management and the independent auditors;
- Reviews and discusses with management our earnings reports and press releases, as well as financial information and earnings guidance provided to analysts and rating agencies;
- Reviews and discusses with management our quarterly reports on Form 10-Q and annual reports on Form 10-K;
- Reviews and approves any proposed transaction with any affiliate, in accordance with our written policy with respect to related person transactions;
- Reviews the effectiveness of our compliance program with management;
- Annually reviews and implements the Audit Committee charter and reports to our board of directors regarding activities of the Audit Committee; and
- Performs an annual performance evaluation of the Audit Committee.

Additional information regarding the Audit Committee and its processes and procedures for the consideration and approval of related party transactions can be found in the section titled “Certain Relationships and Related Transactions.”

Compensation Committee

During 2013, the Compensation Committee held five meetings and took additional action by unanimous written consent. The members of the Compensation Committee during 2013 were Ms. Azare and Messrs. Breaux, Hoyt and Tauzin, with Ms. Azare serving as Chair. Effective at the 2014 annual meeting to be held on June 19, 2014, Mr. Ted W. Hoyt will retire as a member of our board of directors. Director Nominee Evaluation Process

The Nominating and Corporate Governance Committee is responsible for seeking individuals qualified to become board members, conducting appropriate inquiries into the backgrounds and qualifications of possible board nominees and proposing nominees for board membership to our board of directors for its approval. The Nominating and Corporate Governance Committee will consider candidates for board membership suggested by its members and other board members, as well as by management and stockholders.

The Nominating and Corporate Governance Committee seeks to ensure that the composition of our board of directors at all times reflects a variety of complementary experiences and backgrounds sufficient to provide sound and prudent guidance with respect to the operations and interests of the company. The Nominating and Corporate Governance Committee will evaluate prospective nominees considering certain factors, including:

- the commitment of the prospective nominee to represent the long-term interests of our stockholders;
- the prospective nominee's standards of character and integrity;
- the prospective nominee's financial literacy;
- the prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards;
- the prospective nominee's independence and absence of any conflicts of interest that would interfere with his or her performance as a director; and
- the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for our board of directors.

The Nominating and Corporate Governance Committee strives to ensure that at least one member of our board of directors qualifies as an "audit committee financial expert," as defined by Item 407(d)(5) of Regulation S-K, and that a majority of the members of our board of directors meet the definition of "independent director" under the listing standards of NASDAQ. The Nominating and Corporate Governance Committee also believes it is appropriate for certain members of management to participate as members of our board of directors. Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating and Corporate Governance Committee may also consider such other factors as it deems are in the best interests of the company and our stockholders, such as the current composition of our board of directors, the balance of management and independent directors and the need for specialized expertise.

Annually, the Nominating and Corporate Governance Committee reviews with our full board of directors the appropriate experience, skills and characteristics expected of the board members in the context of the current make-up of our board of directors. In accordance with our Corporate Governance Guidelines, the Nominating and Corporate Governance Committee's annual review includes assessing the diversity of our board of directors and whether board members possess certain skills, such as an understanding of financial statements and financial reporting systems, an understanding of the healthcare industry, experience in operations, experience in governmental matters and experience in acquisitions. We view and define diversity in its broadest sense, which includes gender, ethnicity, education, experience and leadership qualities. If, as a result of such assessment, the Nominating and Corporate Governance Committee determines that adding or replacing a director is advisable, the Nominating and Corporate Governance Committee initiates a search for a suitable candidate to fulfill the board's needs from a diverse pool of candidates.

The Nominating and Corporate Governance Committee identifies nominees by first evaluating the current members of our board of directors willing to continue in service. Current members of our board of directors with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of our board of directors with that of the need for additional skills or experience from new board members. If any member of our board of directors does not wish to continue in service, or if the Nominating and Corporate Governance Committee or our full board of directors decides not to re-nominate a current board member for re-election, the Nominating and Corporate Governance Committee identifies the desired skills and experience for a new nominee in light of the criteria for board members described above. The Nominating and Corporate Governance Committee considers new candidates for our board of directors recommended by current members of our board or members of management. In addition, the Nominating and Corporate Governance Committee may, to the extent it deems appropriate, retain a professional search firm and other advisors to identify potential director nominees. The Nominating and Corporate Governance Committee also considers director candidates recommended by eligible stockholders. The criteria employed by the Nominating and Corporate Governance Committee in evaluating potential nominees do not differ based on whether the candidate is recommended by a stockholder of the company.

A stockholder who wishes to recommend a prospective nominee for our board of directors to the Nominating and Corporate Governance Committee must submit a written notice by mail to the Nominating and Corporate Governance Committee, c/o Corporate Secretary, LHC Group, Inc., 420 West Pinhook Road, Suite A, Lafayette, Louisiana 70503. Such a written recommendation must be received not less than 120 calendar days nor more than 150 calendar days before the first anniversary of the date the company's notice of annual meeting was first sent to stockholders in connection with the previous year's annual meeting.

Stockholder recommendations to the Nominating and Corporate Governance Committee should include, at a minimum:

- the candidate's name, age, business addresses and other contact information;
- a complete description of the candidate's qualifications, experience, background and affiliations, as would be required to be disclosed in the proxy statement pursuant to the applicable rules of the SEC;
- a sworn or certified statement by the candidate in which he or she consents to being named in the proxy statement as a nominee and to serve as a director if elected; and
- the name and address of the stockholder(s) of record making such a recommendation.

Stockholders may also continue to make their own direct nominations to our board of directors, for election at an annual or special meeting of the stockholders, in accordance with the procedures set forth in our bylaws relating to stockholder nominations. To be timely, a stockholder's notice shall be delivered to our Corporate Secretary at our principal executive offices not less than 60 or more than 90 days prior to the first anniversary of the date on which we first mailed our proxy materials for the preceding year's annual meeting of stockholders; provided, however, that if no proxy materials were mailed by us in connection with the preceding year's annual meeting, or if the date of the annual meeting is advanced more than 30 days prior to or delayed by more than 30 days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not later than the close of business on the later of (a) the 90th day prior to such annual meeting or (b) the 10th day following the day on which public announcement of the date of such annual meeting is first made. There have been no changes to the procedures by which stockholders may recommend nominees to our board of directors, as set forth above, since our disclosure of such procedures in our proxy statement for our 2013 annual meeting of stockholders. Neither our Corporate Secretary nor the Nominating and Corporate Governance Committee has received any nominations from any of our stockholders in connection with the 2014 annual meeting.

Stockholder Communications with the Board of Directors

Our board of directors accepts communications sent by our stockholders. Stockholders may communicate with our board of directors (or with specified individual directors) by writing to them at LHC Group, Inc., c/o Corporate Secretary, 420 West Pinhook Road, Suite A, Lafayette, Louisiana 70503. Communications should be sent by overnight or certified mail, return receipt requested. All written communications received from our stockholders will be forwarded promptly to the member(s) of our board of directors to whom the communication is directed or, if the communication is not directed to any particular member(s) of our board of directors, the communication will be forwarded to all members of our board.

Under the consulting agreement, Mr. Indest will be paid \$125 per hour for his services and will remain eligible to participate in our medical insurance plan. In 2013, Mr. Indest did not perform any consulting services and therefore did not receive any cash compensation under his consulting agreement.
- (5) Mr. Shackelton is the managing partner of Coliseum Capital Management, LLC, which beneficially owns more than 10% of our outstanding shares of common stock. Due to his affiliation with Coliseum, Mr. Shackelton requested and we agreed that payment of his non-employee director compensation (both cash and equity compensation) will be assigned and payable directly to Coliseum. Pursuant to our Second Amended and Restated 2005 Non-Employee Directors Compensation Plan, Mr. Shackelton was entitled to receive 3,500 shares of restricted stock on the day following his election to our board of directors, one-third (or 1,166, 1,166 and 1,167 shares, respectively) of which would vest on a three-year vesting schedule, subject to Mr. Shackelton's continued service on our board of directors. In lieu of issuing such restricted shares directly to Mr. Shackelton, on March 15, 2013, our board of directors granted to Coliseum the right to receive a cash payment on each of November 15, 2013, November 15, 2014 and November 15, 2015 (the dates the restricted shares would otherwise have vested), subject to Mr. Shackelton's continued service on our board of directors. Additionally, based on Mr. Shackelton's affiliation with Coliseum Capital Management, LLC, in lieu of Mr. Shackelton's receipt of an annual restricted stock award otherwise made to each non-employee director having a value equal to approximately \$60,000, on March 15, 2013, our board of directors granted to Coliseum the right to receive a cash payment equal to the fair market value of the shares of restricted stock otherwise awarded to each other non-employee director, payable on each of November 15, 2013, November 15, 2014 and November 15, 2015 (the dates the restricted shares would otherwise have vested), subject to Mr. Shackelton's continued service on our board of directors. The amount of each cash payment will be equal to the fair market value of the shares of common stock that would have vested on that date. The aggregate grant date fair value of these awards is reflected in the 2013 Director Compensation table.

Director Compensation Plan

Our Second Amended and Restated 2005 Non-Employee Directors Compensation Plan, as amended, which we refer to as the "Director Compensation Plan," provides for both cash and equity compensation for our non-employee directors. Our employees do not receive any compensation for serving on our board of directors.

Cash Compensation

Our non-employee directors received the following fees, as applicable, pro-rated for their service on our board of directors and its committees from January 1, 2013 through March 31, 2013:

- \$20,000 annual cash retainer, payable on a monthly basis, for service as the Lead Director;
- \$14,000 annual cash retainer, payable on a monthly basis, for service as the Chair of the Audit Committee;
- \$10,000 annual cash retainer, payable on a monthly basis, for service as the Chair of the Compensation Committee;
- \$6,000 annual cash retainer, payable on a monthly basis, for service as a member (other than Chair) on a committee of our board of directors; and
- \$1,500 meeting fee, payable for each board meeting.

Our non-employee directors received the following fees, as applicable, pro-rated for their service on our board of directors and its committees from April 1, 2013 through December 31, 2013:

- \$24,000 annual cash retainer, payable on a monthly basis, for service as the Chair of the Audit Committee;
- \$12,000 annual cash retainer, payable on a monthly basis, for service as the Chair of the Compensation Committee, Chair of the Nominating and Corporate Governance Committee, Chair of the Corporate Development Committee, or Chair of the Clinical Quality Committee;

- \$9,000 annual cash retainer, payable on a monthly basis, for service as a member (other than Chair) of the Audit Committee; and
- \$1,500 meeting fee, payable for each board meeting.

Equity Compensation

The Director Compensation Plan provides for annual grants of restricted stock to non-employee directors. On March 1, 2013, each non-employee director received an award of restricted stock having an aggregate value equal to approximately \$60,000, except Mr. Shackelton. Based on Mr. Shackelton's affiliation with Coliseum Capital Management, LLC, in lieu of making the restricted stock award to Mr. Shackelton, on March 15, 2013, our board of directors granted to Coliseum the right to receive a cash payment equal to the fair market value of the shares of restricted stock otherwise awarded to each other non-employee director, payable on each of November 15, 2013, November 15, 2014 and November 15, 2015 (the dates the restricted shares would otherwise have vested), subject to Mr. Shackelton's continued service on our board of directors. The number of shares of restricted stock awarded to each non-employee director was determined by dividing \$60,000 by the fair market value per share as of the date of grant (rounded up to the nearest hundred shares). These annual restricted stock grants vest on the first anniversary of the grant date.

In addition, the Director Compensation Plan provides that new directors, other than the Lead Director, receive an initial grant of 3,500 shares of restricted stock in connection with their election or appointment to our board of directors. The Lead Director receives an initial grant of 7,000 shares of restricted stock in connection with his or her appointment as Lead Director. These initial grants of restricted stock vest one-third on the date of grant and one-third on each of the first two anniversaries of the grant date. Mr. Shackelton was appointed to our board of directors on November 14, 2012. Based on Mr. Shackelton's affiliation with Coliseum Capital Management, LLC, in lieu of making the initial grant of 3,500 restricted shares directly to Mr. Shackelton, our board of directors granted to Coliseum the right to receive a cash payment on each of November 15, 2013, November 15, 2014 and November 15, 2015, subject to Mr. Shackelton's continued service on our board of directors. The amount of each such cash payment will be equal to the fair market value of shares of common stock as of the payment date (1,166 shares on November 15, 2013, 1,166 shares on November 15, 2014, and 1,167 shares on November 15, 2015).

Benefits

We reimburse each non-employee director for expenses associated with attending board and committee meetings and other board-related activities. Our non-employee directors do not receive other benefits from the company with the exception of Mr. Indest who, along with his spouse, participates in our medical insurance plan pursuant to Mr. Indest's consulting agreement with the company.

Role of Independent Compensation Consultants

To assist in evaluating our compensation practices, the Compensation Committee from time to time retains an independent compensation consultant to provide advice and ongoing recommendations regarding board member compensation practices that are consistent with our business goals and pay philosophy. We believe that this input and advice produces more informed decision-making and assures that an objective perspective is considered in this important governance process. In the fall of 2012, the Compensation Committee retained the executive compensation consulting services of Pearl Meyer & Partners (“PM&P”). Specifically, the Compensation Committee instructed PM&P to (i) review the total compensation package we pay to our board members, (ii) assess the competitiveness and reasonableness of our compensation program as compared to a peer group of companies within the health care industry with similar revenue levels and market capitalization, and (iii) provide conclusions and recommendations for the current and future total compensation packages for our board members. We referred to the results of this study, and also internally reviewed current industry and market practices within our peer group, when we established compensation levels for our board members for 2013 and 2014. PM&P has no other relationship with our company. The Compensation Committee has assessed the independence of PM&P and concluded that PM&P’s work did not raise any conflicts of interest.

At the time of his appointment, our board of directors was interested in another director with a financial background and Mr. Shackelton had expressed an interest in serving on our board. Senator Breaux was re-elected to the seven succeeding Congresses and served until January 3, 1987, when he won election as a Democrat to the U.S. Senate. Senator Breaux was re-elected in both the 1992 and 1998 elections.

Senator Breaux held numerous leadership positions during his 14 years in the U.S. House of Representatives and 18-year tenure in the U.S. Senate, where he served on the House Public Works and Transportation Committee, the Senate Finance Committee, and the Senate Commerce Committee where he was recognized as a non-partisan consensus builder. Senator Breaux also served as Chair and ranking minority member of the Senate Special Committee on Aging. Senator Breaux founded the Centrist Coalition of Senate Democrats and Republicans and served as Chairman of the Democratic Leadership Council. We believe that Senator Breaux’s longstanding and distinguished experience in the U.S. House of Representatives and the Senate along with his experience and understanding of the capital markets, the healthcare industry and corporate governance provides our board of directors with significant value in overseeing our ongoing quality and reimbursement initiatives with Congress and the National Association for Home Care & Hospice as well as the board’s role in overseeing our governance practices and capital raising activities.

We believe that Mr. Wilford’s extensive experience in healthcare operations and his extensive knowledge of the hospital industry provide significant value to our board’s ability to provide operational oversight of management and to assist the company in carrying out its hospital joint venture strategy. Further, Mr. Wilford’s past experience on boards of other publicly traded companies provides us with valuable insight on corporate governance matters.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under Section 16(a) of the Exchange Act, our directors, executive officers and any person beneficially owning more than 10% of our outstanding common stock are required to report their ownership of our securities and any changes in that ownership to the SEC. These persons also are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. Specific due dates for these reports have been established, and we must report in this proxy statement any failure to make required filings on a timely basis for the fiscal year ended December 31, 2013. Based solely on a review of the Section 16(a) reports furnished to us and written representations from our directors and executive officers that no other reports were required for such persons, we believe that all reporting requirements were satisfied in 2013, with the following exception. Coliseum Capital Management, LLC, a private investment company managed and indirectly co-owned by Christopher S. Shackelton, in lieu of the issuance of restricted stock to Mr. Shackelton in respect of his service on the Board, received a cash payment from the company on November 15, 2013 (the date restricted shares would otherwise have vested). A Form 4 was filed late on March 5, 2014 to report the transaction.

**PROPOSAL 1:
ELECTION OF DIRECTOR NOMINEES**

**THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR”
PROPOSAL 1: THE ELECTION OF DIRECTOR NOMINEES, KEITH G. MYERS, GEORGE A. LEWIS AND
CHRISTOPHER S. SHACKELTON,
AS CLASS III DIRECTORS.**

The term of the Class III directors expires at the 2014 annual meeting. The Nominating and Corporate Governance Committee conducted an evaluation of each Class III director nominee to evaluate his performance prior to recommending to our board of directors his nomination for an additional term as a director. Upon the recommendation of the Nominating and Corporate Governance Committee, which consists entirely of independent directors, we nominate Messrs. Myers, Lewis and Shackelton for election as Class III directors to serve until the annual meeting of stockholders in 2017 and until their successors have been elected and qualified. For additional information about each of the Class III director nominees, see the section titled “Information about Director Nominees. Continuing Directors and Management.” Each nominee for election at the annual meeting has consented to be a candidate and to be so named in this proxy statement and to serve, if elected. We do not know of any reason why any nominee would be unable or, if elected, will decline to serve as a director. If any nominee becomes unable or unwilling to serve, we may either reduce the number of directors to be elected or select a substitute nominee. Directors are elected by a plurality of the votes cast at the annual meeting. Therefore, the three nominees for election as Class III directors who receive the greatest number of votes cast at the annual meeting will be elected to our board of directors as Class III directors. Shares may not be voted cumulatively, and the proxies cannot vote your shares for a greater number of persons than the number of nominees named. Unless otherwise specified, the persons named as proxies will vote your shares “FOR” the election of Keith G. Myers, George A. Lewis and Christopher S. Shackelton as Class III directors. Abstentions, withheld votes and broker non-votes will have no effect on the plurality vote for the election of directors. For additional information on the voting requirements, see the section titled “Questions and Answers about the Proxy Materials, Annual Meeting and Voting.”

COMPENSATION DISCUSSION AND ANALYSIS

In this section, we provide an overview and analysis of our executive compensation program and policies, the material compensation decisions we have made under those programs and policies with respect to our named executive officers, and the material factors that the Compensation Committee considered in making those decisions. Immediately following this section, you will find a series of tables containing specific information about the compensation earned or paid in 2013 to the following individuals, whom we refer to, collectively, as our named executive officers:

- Keith G. Myers, our Chief Executive Officer;
- Donald D. Stelly, our President and Chief Operating Officer;
- Peter J. Roman, who served as our Executive Vice President and Chief Financial Officer through December 31, 2013; and
- Joshua L. Proffitt, our Executive Vice President, General Counsel and Corporate Secretary.

Executive Summary

We provide post-acute health care services through our home nursing agencies, hospices, community-based service locations, and long-term acute hospitals (“LTACHs”). During 2013, we acquired the home-based service line of Addus HomeCare, which consisted of 19 home health agencies and one hospice agency. In addition, we acquired one hospice agency and four additional home health agencies. As of December 31, 2013, we operated 311 locations in 26 states. The vast majority of our consolidated net service revenue comes from Medicare, and our objective is to become the leading provider of post-acute services to Medicare beneficiaries in the United States. For more information about our business, please see “Business” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in our annual report on Form 10-K for the fiscal year ended December 31, 2013.

The compensation program for our named executive officers is structured to support the achievement of our business objectives, and by design, overall executive compensation will rise or fall in tandem with our performance. We believe that each executive officer has the potential to affect both the short-term and long-term profitability of the company. Therefore, we place considerable importance on creating and implementing our executive compensation program to properly compensate and incentivize our named executive officers. Our executive compensation program emphasizes the creation of stockholder value by focusing on our overall performance and recognizing and rewarding each executive officer’s contributions to our success. Highlights of our program include:

- High Percentage of Executive Compensation is At-Risk or Performance-Based. More than half of the total direct compensation earned by each named executive officer in 2013 (base salary, annual cash incentive award, and time-vested restricted stock award) is at-risk or performance-based, meaning that it must be earned on the basis of corporate and individual performance goals (in the case of annual incentive awards) or its future value is contingent upon the future performance of our common stock (in the case of restricted stock). For Mr. Myers, our Chief Executive Officer, approximately 63% of his 2013 total direct compensation was at-risk or performance-based.
- No Executive Perquisites or Retirement Benefits. For calendar year 2013, we did not provide our executives with any perquisites or retirement benefits that are not generally available to our other full-time employees.
- 2013 Compensation Paralleled 2013 Corporate Performance. Executive compensation paid to our named executive officers in 2013 increased in tandem with our 2013 corporate performance, as certain performance metrics of our annual incentive plan paid out at target throughout the year.
- No Excise Tax Gross-Ups. We have eliminated all excise tax gross-ups in change of control arrangements.

Our Compensation Philosophy

Our compensation philosophy is to integrate our compensation program with corporate performance by linking a portion of executive officer compensation to the achievement of financial goals that are critical to the success of the company. Our objective is to have a compensation program that will allow us to attract, motivate, and retain qualified executives, reward entrepreneurial thinking, and align the interests of our named executive officers with the interests of stockholders. In order to further this objective, our compensation program is structured to incorporate certain key principles, which are reflected in various elements of our compensation program, as summarized below:

Compensation Principle

- Our executives should be provided with total compensation opportunities at levels that are competitive for comparable positions at companies with whom we compete for talent.
- A significant portion of executive compensation should be linked to the company's achievement of performance goals and increased stock value in a way that proportionally rewards higher performance levels.
- Each of our executive's interests should be closely aligned with those of our stockholders by making stock-based incentives a core element of our compensation program.

Element of Compensation Program that Reflects Principle

- Based on review of competitive market data, total pay opportunities for our executives approximates the median level of compensation relative to our peer group.
- Annual bonus awards are earned based on company performance and the value of restricted stock awards is based on our stock value. For 2013, the aggregate percentage of our named executive officers' total compensation as reflected in the summary compensation table represented by annual bonus awards and restricted stock awards ranged from 52% to 73%.
- We grant annual equity awards to our executives in the form of restricted stock based on company and individual executive performance.

How We Determine and Assess Executive Compensation

We believe that the total compensation package available to our executives should be fair and competitive, should provide enhanced levels of financial reward based on higher levels of performance, and should be designed to recognize and reward both short- and long-term performance. As described below, the Compensation Committee determines appropriate elements and levels of compensation for our named executive officers based upon input from our Chief Executive Officer regarding each executive officer other than himself, market data provided by its compensation consultant, analysis of market data and trends, and an analysis of internal pay equity.

Role of Independent Compensation Consultants

To assist in evaluating our compensation practices, the Compensation Committee from time to time retains an independent compensation consultant to provide advice and ongoing recommendations regarding executive compensation practices that are consistent with our business goals and pay philosophy. We believe that this input and advice produces more informed decision-making and assures that an objective perspective is considered in this important governance process. The Compensation Committee has retained PM&P as its the executive compensation consultant since 2010. To date, the Compensation Committee has requested a comprehensive review every other year. For their fall 2012 analysis, which was used in connection with the executive compensation decisions for 2013 and 2014, the Compensation Committee instructed PM&P to (i) review the total compensation package (base salary, annual cash incentives and long-term equity incentives) we pay to our named executive officers, (ii) assess the competitiveness and reasonableness of our compensation program as compared to a peer group of companies within the health care industry with similar revenue levels and market capitalization, and (iii) provide conclusions and recommendations for the current and future total compensation packages for our named executive officers. When establishing compensation levels for our executive officers for 2013 and 2014, we referred to the results of this study, and also internally reviewed current industry and market practices within our peer group. The Compensation Committee has assessed the independence of PM&P and concluded that PM&P's work did not raise any conflicts of interest. PM&P has no other relationship with our company.

Market Data and Peer Group

The Compensation Committee reviews and analyzes market data to ensure that our executive officer compensation is competitive with the marketplace. We consider the compensation levels, programs and practices of other companies within our industry and of comparable size in terms of revenue and market capitalization to assist us in setting our executive compensation so that it is market competitive. For 2013, we used the same peer group that we have used since 2010: Amedisys, Inc.; Almost Family, Inc.; Gentiva Health Services, Inc.; Chemed Corporation; Hanger Orthopedic Group, Inc. (now Hanger, Inc.); Skilled Healthcare Group, Inc.; Healthways, Inc.; AmSurg Corporation; National HealthCare Corporation; The Ensign Group, Inc.; RadNet, Inc.; Alliance HealthCare Services Inc.; IPC The Hospitalist Company Inc.; Metropolitan Health Networks, Inc., and Addus HomeCare Corporation.

For 2013, we adjusted the compensation levels of our named executive officers after comparing them to the above peer group. As our strategy changes and we leverage our capabilities into other markets, we intend to review the peer group to assure that we have the appropriate marketplace focus. The Compensation Committee used the reported market data, along with the PM&P report, to understand competitive compensation, industry trends and best practices regarding executive compensation.

Role of Executive Officers

Our Chief Executive Officer recommends to the Compensation Committee base salary, target bonus levels and long-term incentive awards for our executive officers, excluding himself. Our Chief Executive Officer bases these recommendations on data and analysis regarding our peer group, information provided by our compensation consultant, and qualitative judgments regarding individual performance. Our Chief Executive Officer is not present when the Compensation Committee discusses or determines any aspect of his pay.

Consideration of Say-on-Pay Vote Results

At our 2011 annual meeting, we held our first non-binding stockholder advisory vote on executive compensation (“say-on-pay”). Our stockholders have overwhelmingly approved our fiscal 2010, 2011, and 2012 executive compensation, with approximately 98% of voting stockholders casting their vote in favor of the say-on-pay resolution in each of those three years. Because most of the significant 2013 compensation decisions had already been made at the time of the 2013 say-on-pay vote, the Compensation Committee primarily considered the results of the 2013 say-on-pay vote along with other factors when making executive compensation decisions for 2014. In making executive compensation decisions for 2013 and 2014, the Compensation Committee’s main considerations included our stockholders’ continuous, strong support for our executive compensation program, and the Compensation Committee’s satisfaction with the 2012 and 2013 pay structure, as well as the 2012 PM&P report and other publicly available information. As a result, the Compensation Committee generally decided to maintain the 2013 pay structure for 2014, but adjusted pay levels in order to reflect market levels based upon peer group data.

Elements of Our Compensation Program

Our executive compensation program consists of the following three primary components: base salary, annual cash incentive awards (which are paid quarterly), and long-term equity incentive awards in the form of restricted stock grants. We consider a combination of objective and subjective factors in determining the appropriate aggregate compensation for our named executive officers. Objective factors include compensation paid by companies in our peer group to officers in similar positions, and factors relating to the performance of the company, including net income, earnings per share, return on equity, and growth. Subjective factors relate to the performance of the individual executive officer, and include the following:

- the executive officer’s responsibilities;
- the scope of the position;
- experience and length of service with the company;
- individual efforts and performance within the company, the industry and the community;
- team building skills consistent with the company’s best interests; and
- observance of our ethics and compliance program.

While these subjective factors are integrated with the objective factors mentioned above, the overall assessment is primarily a subjective one, intended to reflect the level of responsibility and individual performance of the particular executive officer.

In addition, we provide certain other benefits, such as retirement benefits, which are available to all eligible employees, and severance benefits. The percentage mix of total compensation for 2013 for each named executive officer (as reported in the “2013 Summary Compensation Table” in the section “Executive Compensation Tables” below) is as follows:

Name	2013 Total Compensation (as Reported in the Summary Compensation Table)	FIXED	AT RISK/PERFORMANCE BASED	
		% Attributable to Salary and All Other Compensation	% Attributable to Cash Annual Bonus	% Attributable to Restricted Stock Grants
Keith G. Myers.....	1,761,714	37%	34%	29%
Donald D. Stelly (1).....	1,877,776	27%	22%	51%
Peter J. Roman (2).....	1,492,512	29%	21%	50%
Joshua L. Proffitt.....	696,811	48%	30%	22%

- (1) Mr. Stelly was granted an additional 25,000 restricted shares on September 1, 2013, in connection with the renewal of his Employment Agreement.
- (2) Mr. Roman retired as our Executive Vice President, Chief Financial Officer and Treasurer effective on, and received compensation through, December 31, 2013. Mr. Roman was also granted an additional 16,595 restricted shares on December 23, 2013, in connection with his 2013 compensation in light of his retirement effective December 31, 2013.

Base Salary

We provide base salaries to our named executive officers as compensation for day-to-day responsibilities and sustained performance. Base salary provides our named executive officers with an element of compensation that is not “at-risk.”

Mr. Myers conducts an annual merit review of each of the named executive officers, and based on this review, recommends base salaries to the Compensation Committee with respect to each named executive officers other than himself. The Compensation Committee determines the appropriate base salary for Mr. Myers after an annual performance review based on the same factors used to evaluate the other named executive officers.

Based on the subjective assessment discussed above and the Compensation Committee’s desire to make these salary levels more competitive, recognizing the opportunities available to our executives, the Compensation Committee approved base salary increases for all of our named executive officers for 2013.

Annual Cash Incentive Awards

The Compensation Committee believes that a significant portion of the total cash compensation for named executive officers should be based on our achievement of specific performance criteria, and that a significant part of the cash compensation package should be “at-risk.” For 2013, the Compensation Committee approved a cash incentive bonus program under which each named executive officer has the opportunity to earn either a target cash incentive bonus (“Target Cash Bonus”) or a threshold cash incentive bonus (“Threshold Cash Bonus”) based on our achievement of the applicable earnings per share target amount or earnings per share threshold amount and an additional cash incentive bonus based on our achievement of five non-financial performance goals, with each such cash incentive bonus calculated as a percentage of base salary as more fully described below.

The Target Cash Bonus is a percentage of annual base salary and for 2013 was 90% in the case of Mr. Myers, 80% in the case of Mr. Stelly, 73% in the case of Mr. Roman, and 60% in the case of Mr. Proffitt. Each quarter, an executive may earn 25% of the Target Cash Bonus based on our achievement of quarterly earnings per share targets which accumulate to the annual earnings per share target and the expectations of the company continuing to achieve the annual earnings per share target. If the annual earnings per share target is achieved, each executive may earn 100% of the Target Cash Bonus whether or not each quarterly earnings per share target was previously achieved.

Alternatively, if the applicable quarterly or annual earnings per share target is not achieved, each named executive officer could receive a quarterly Threshold Cash Bonus of 80% of their respective quarterly Target Cash Bonus based on our achievement of quarterly earnings per share thresholds which accumulate to the annual earnings per share threshold and the expectations of the company continuing to achieve the annual earnings per share threshold. As with the Target Cash Bonus, an executive may earn 25% of the Threshold Cash Bonus each quarter and if the annual earnings per share threshold is achieved, each executive may earn 100% of the Threshold Cash Bonus whether or not each quarterly earnings per share threshold was previously achieved.

In addition to either the Target Cash Bonus or the Threshold Cash Bonus, for each of the five non-financial performance goals listed below, each of which we believe is critical to our long-term success, each named executive officer may earn an additional cash incentive bonus of 2% of his annual base salary. In the event all five of the non-financial performance goals listed below were achieved, each named executive officer would receive an aggregate additional cash incentive bonus of 10% of his annual base salary.

<u>Performance Goals</u>	<u>1ST Quarter 2013 Actual Performance</u>	<u>2nd Quarter 2013 Actual Performance</u>	<u>3rd Quarter 2013 Actual Performance</u>	<u>4th Quarter 2013 Actual Performance</u>
<i>Financial Performance Goals:</i>				
1. Company's achievement of earnings per share for 2013 being greater than the company's board approved budget for 2013 (the target amount)	Yes	Yes	Yes	Yes
<i>Non-Financial Performance Goals(1):</i>				
2. Company meets earnings per share goal and achievement of voluntary turnover threshold of 16.8%	N/A	N/A	N/A	No
3. Company meets earnings per share goal and achievement of patient satisfaction threshold of 88% as reported by Press Ganey	N/A	N/A	N/A	Yes
4. Company meets earnings per share goal and achievement of acute care hospitalization rate threshold of 18.5%	N/A	N/A	N/A	No
5. Company meets earnings per share goal and achievement of compliance error rate target of 4%	N/A	N/A	N/A	No
6. Company meets earnings per share goal and achievement of annual organic census growth rate greater than 5%	N/A	N/A	N/A	No

(1) These non-financial performance goals are measured on an annual basis and therefore are only applicable at the end of the fourth quarter.

As reflected above, in 2013, we achieved our earnings per share target performance goals each quarter and for the year and achieved one of our non-financial performance goals. As a result, the named executive officers earned aggregate annual bonuses in the following amounts, which awards were 100% of the target bonuses that could have been achieved under the earnings per share component and an additional 2% for achievement of one non-financial performance goal: Mr. Myers, \$602,100; Mr. Stelly, \$410,000; Mr. Roman, \$318,500; and Mr. Proffitt, \$206,700.

Long-Term Equity Incentive Awards

The purpose of long-term equity incentives is to align our named executive officers' performance incentives more closely with the interests of stockholders. Since our initial public offering in 2005, we have provided annual long-term equity incentive awards to our named executive officers in the form of restricted stock awards. We continue to believe that these restricted stock awards have been and remain an excellent vehicle for providing financial incentives for management because they align the executives' interests with those of our stockholders and provide strong incentive for the creation of stockholder value. Time-based restricted stock also provides a strong retentive component to our compensation program.

Restricted Stock Awards Granted in 2013 Based on Fiscal Year 2012 Base Salary. The Compensation Committee determined that the grant date value of the 2013 restricted stock awards would be equal to a percentage of the named executive officer's 2012 base salary. The actual number of restricted shares awarded to the named executive officers was determined by dividing this grant date value by the fair market value of our common stock on the date of grant.

Messrs. Myers, Stelly, Roman and Proffitt had the opportunity to earn restricted shares with a grant date value equal to 91%, 85%, 89% and 50%, respectively, of the named executive officer's 2012 base salary.

Additional Grants. Mr. Stelly was granted an additional 25,000 restricted shares on September 1, 2013, in connection with the renewal of his Employment Agreement. Mr. Roman was granted an additional 16,595 restricted shares on December 23, 2013, in connection with his 2013 compensation in light of his retirement effective December 31, 2013.

Timing of Equity Grants. Equity awards are made by the Compensation Committee only on dates the Committee meets. Except for the awards in September and December 2013 described above, equity awards for 2013 were approved at a regularly scheduled meeting of our Compensation Committee during the first fiscal quarter of the year, after review and consideration of the company's performance during the prior fiscal year. We do not have any program, practice or policy of timing equity awards in connection with the release of material non-public information. The Compensation Committee may make an award with an effective date in the future contingent on commencement of employment, execution of a new employment agreement or some other subsequent event.

No Executive Perquisites or Retirement Benefits For calendar year 2013, we did not provide any perquisites to our named executive officers that are not generally available to our other full-time employees.

Retirement benefits fulfill an important role within our overall executive compensation objective by providing a financial security component which promotes retention. However, our executives do not receive any retirement benefits that are not generally available to our other full-time employees. We maintain a 401(k) plan, a tax-qualified defined contribution retirement plan, in which our named executive officers are eligible to participate and we provide a discretionary match of up to 2% of employee eligible compensation. We do not maintain any excess benefit plans, defined benefit or pension plans, or any deferred compensation plans.

Severance and Change in Control Arrangements

We maintain employment agreements with each of our named executive officers that provide, among other things, that the executive will be entitled to receive certain severance benefits in the event of a termination of his employment, and the executive will be entitled to increased benefits in the event that a termination of his employment follows a change in control of the company. Although we had an employment agreement with Mr. Roman, that agreement terminated in connection with his termination of employment with the company effective December 31, 2013. We believe these employment agreements are an important element of our named executive officers' overall compensation package because they serve to ensure the continued focus and dedication of our named executive officers notwithstanding any personal concerns they may have regarding their own continued employment, either prior to or following a change in control. The increased benefits that are payable in the event of a termination following a change in control are designed to attract and retain qualified executives who might not otherwise join or remain with the company without financial protection in the event that they are forced out of the company following a change in control. These provisions are also intended to provide for continuity of management in the event of a change in control of the company. We believe that our severance and change in control arrangements are comparable to those provided by the companies in our peer group and competitive within our industry.

The Compensation Committee has decided that it will no longer provide gross-ups for the excise tax imposed by Section 4999 of the Internal Revenue Code in connection with change in control arrangements. Accordingly, as prior employment agreements with our named executive officers expired, we revised those agreements to eliminate the tax gross-up provisions. As of the date of this proxy statement, none of our named executive officers are entitled to a tax gross-up in connection with a change of control payment.

The potential severance and change in control benefits payable under these agreements are more fully described in the section titled "Potential Payments upon Termination or Change in Control."

Tax and Accounting Considerations

The accounting and tax treatment of compensation generally has not been a factor in determining the amounts of compensation for our named executive officers. However, the Compensation Committee and management have considered the accounting and tax impact of various program designs to balance the potential cost to us with the benefit/value to the executive.

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1 million paid to certain named executive officers unless certain conditions are met. The Compensation Committee does not have a policy requiring executive compensation to qualify as deductible under Section 162(m), and has retained discretion to compensate executives in a manner commensurate with performance and the competitive landscape for executive talent. Excluding a portion of Messrs. Myers, Stelly and Roman's compensation during 2013, we expect that the remaining compensation paid to our executive officers in 2013 did not exceed the \$1 million deductibility threshold and should be fully deductible by the company.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Employment Agreements

We currently have employment agreements with each current named executive officer (collectively, the “Employment Agreements”), with effective dates as detailed in the table below:

<u>Name</u>	<u>Effective Date of Current Employment Agreement</u>	<u>Expiration Date of Current Employment Agreement</u>
Keith G. Myers	April 1, 2014	March 31, 2017
Donald D. Stelly	August 19, 2013	August 18, 2016
Jeffrey M. Kreger.....	February 4, 2013	January 31, 2016
Joshua L. Proffitt	March 30, 2011	July 31, 2015

Each of the Employment Agreements will automatically renew for additional one-year periods unless either party gives notice to the other of its intent not to renew the agreement. The Employment Agreements provide that each executive is entitled to a minimum annual base salary (subject to annual review and increases for merit performance) and is entitled to participate in all incentive, savings, retirement and welfare benefit plans generally made available to our senior executive officers. Each of these executives will have an opportunity to earn an annual cash bonus based upon achievement of performance goals to be established by the Compensation Committee. In addition, each of the executives is entitled to fringe benefits generally made available to our senior executive officers, and will be eligible for equity grants under our long-term incentive plans generally made available to our senior executive officers.

The Employment Agreements may be terminated by us at any time with or without “cause” (as defined therein), or by the executive with or without “good reason” (as defined therein). The agreements also terminate automatically upon the death or retirement of the executive and may be terminated by us if the executive becomes disabled. Depending on the reason for the termination and when it occurs, the executive will be entitled to certain severance benefits, as described below.

Termination for Cause; Resignation without Good Reason or due to Retirement

If an executive is terminated for cause or resigns without good reason (as such terms are defined in the agreements) or retires, the executive receives only the salary and vested benefits that have accrued through the date of termination or retirement. No other severance benefits are payable.

Termination Due to Disability or Death

If an executive is terminated due to disability or death, the executive (or his estate) receives salary and vested benefits accrued through the date of termination. The executive’s outstanding equity awards will vest and become immediately exercisable pursuant to the terms of our long-term incentive plans and applicable award agreements.

Termination without Cause or Disability; Resignation for Good Reason

Under the current terms of the Employment Agreements, if the executive is terminated without cause or disability, or resigns for good reason, then the executive will be entitled to accrued salary, vested benefits, and a pro-rata portion of his annual bonus earned through the date of termination, as well as the continuation of health and welfare benefits for the COBRA-eligible period. In addition, each of Messrs. Myers, Stelly, Kreger, and Proffitt will be entitled to:

- if the termination occurs prior to, or more than two years following, a change of control of the company: (A) a severance payment equal to the product of 1.5 times the sum of (1) his base salary in effect as of the date of termination, plus (2) the greater of the average of the annual bonuses earned by him for the two fiscal years in which annual bonuses were paid immediately preceding the termination, or his target bonus for the year in which the date of termination occurs, and, as to Mr. Proffitt, plus (3) the greater of \$15,000 or the amount of any subsequent annual retention bonus amount the company may pay to him during the term of his employment; and (B) continued vesting of his outstanding equity awards if he complies with the restrictive covenants discussed below.
- if the termination occurs within two years following a change of control of the company: (A) a severance payment equal to the product of 2.5 times the sum of (1) his base salary in effect as of the date of termination, plus (2) the greater of the average of the annual bonuses earned by him for the two fiscal years in which annual bonuses were paid immediately preceding the termination, or his target bonus for the year in which the date of termination occurs, and, as to Mr. Proffitt, plus (3) the greater of \$15,000 or the amount of any subsequent annual retention bonus amount the company may pay to him during the term of his employment; and (B) the immediate and full vesting of all of his outstanding equity awards.

Restrictive Covenants

Each of the Employment Agreements contains confidentiality, non-compete and non-solicitation covenants that apply during the executive's employment with the company and for a two year period after the executive's termination of employment (or for a six month period if the executive's termination occurs within two years after a change in control).

Summary of Termination Payments and Benefits

The following table summarizes the value of the termination payments and benefits that our named executive officers would have received under their Employment Agreements if they had terminated employment on December 31, 2013 under the circumstances shown. The amounts shown in the table exclude distributions under our 401(k) retirement plan and any additional benefits that are generally available to all of our salaried employees.

As previously disclosed, effective December 31, 2013, Peter J. Roman retired as Executive Vice President and Chief Financial Officer of the company, and Mr. Roman's employment agreement terminated on this date. In addition, in connection with his resignation, Mr. Roman retained 51,798 shares of unvested restricted stock, which will vest in accordance vesting schedule per Outstanding Equity Awards at December 31, 2013.

- (1) Reflects a pro-rata payment of the executive's annual bonus for 2013, based on the portion of the year elapsed prior to termination. As the table assumes that the executive was terminated on December 31, 2013, the amounts reflect full annual bonus for 2013.
 - (2) Reflects a severance payment equal to the product of 1.5 times, or 2.5 times in the event of a change in control, the sum of (a) the executive's base salary in effect as of the date of termination, and (b) the greater of the average of the annual bonuses earned by the executive for the two fiscal years, or his target bonus for the year in which the date of termination occurs.
 - (3) Reflects the cost of providing continued health and welfare benefits to the executive after his date of termination of employment. We will pay the excess of the COBRA cost of such coverage over the amount that the executive would have had to pay for such coverage if he had remained employed and paid the active employee rate. Our obligations to provide health and welfare benefits cease in the event the executive participates in another employer sponsored plan or when the COBRA benefit expires (18 months from qualifying event).
 - (4) Represents the fair market value of shares of restricted stock that would immediately vest upon termination each based on closing market price of our common stock as of December 31, 2013, which was \$24.04.

PROPOSAL 2
ADVISORY VOTE ON EXECUTIVE COMPENSATION

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL 2, ADOPTION, ON AN
ADVISORY BASIS, OF A RESOLUTION APPROVING THE COMPENSATION OF OUR NAMED
EXECUTIVE OFFICERS.**

Pursuant to Section 14A of the Exchange Act, we provide our stockholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers, as disclosed in this proxy statement in accordance with the rules of the SEC. This vote does not address any specific item of compensation but rather the overall compensation of our named executive officers and our compensation philosophy and practices as disclosed in the section titled “Executive Officer Compensation.” This disclosure includes the “Compensation Discussion and Analysis” and the “Executive Compensation Tables,” including the accompanying narrative disclosures. At last year’s annual meeting, we provided our stockholders with the opportunity to cast a non-binding advisory vote regarding the compensation of our named executive officers as disclosed in our proxy statement for the 2013 annual meeting of stockholders. Our stockholders approved the “say-on-pay” proposal by approximately 98% of the voting power of the outstanding shares of our common stock present, in person or by proxy, at the annual meeting and entitled to vote on the proposal. We are again asking our stockholders to vote on the following resolution:

RESOLVED, that the stockholders of LHC Group, Inc. (the “Company”) approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in the proxy statement for the Company’s 2014 annual meeting of stockholders pursuant to Item 402 of Regulation S-K of the rules of the Securities and Exchange Commission.

We understand that executive compensation is an important matter for our stockholders. Our core executive compensation philosophy and practice continue to be based on pay for performance, and we believe that our compensation program is strongly aligned with the long-term interests of our stockholders. In considering how to vote on this proposal, we encourage you to review all the relevant information in this proxy statement, including the “Compensation Discussion and Analysis” (including its executive summary), the “Executive Compensation Tables”, and the rest of the narrative disclosures regarding our executive compensation program in the section titled “Executive Officer Compensation”.

While this advisory vote, commonly referred to as a “say-on-pay” vote, is not binding, our board of directors and the Compensation Committee value the opinion of our stockholders and will consider the outcome of the vote when making future compensation decisions for our named executive officers. Following the recommendation of our stockholders at our 2011 annual meeting, we will hold a “say-on-pay” vote at each annual meeting until the next required vote of our stockholders regarding the frequency of “say-on-pay” in 2017. We invite stockholders who wish to communicate with our board of directors on executive compensation or any other matters to contact us as provided in the section titled “The Board of Directors and Corporate Governance—Stockholder Communications with the Board of Directors.”

Approval of this proposal requires the approval of a majority of the voting power of the outstanding shares of our common stock present, in person or by proxy, at the annual meeting and entitled to vote on the proposal. Abstentions will be treated as votes against this proposal, and broker non-votes will have no effect on the majority vote for this proposal. For additional information on the voting requirements, see the section titled “Questions and Answers about the Proxy Materials, Annual Meeting and Voting.”

**PROPOSAL 3
RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL 3, THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

The independent accounting firm of KPMG LLP (“KPMG”) has served as our independent registered public accounting firm since August 20, 2008. Our Audit Committee has selected KPMG to conduct the annual audit of our financial statements for the fiscal year ending December 31, 2014. KPMG has no financial interest, direct or indirect, in the company and does not have any connection with the company except in its professional capacity as an independent auditor.

The ratification by the stockholders of the selection of KPMG as our independent registered public accounting firm is not required by law or by our bylaws. Our board of directors, consistent with the practice of many publicly held corporations, is nevertheless submitting ratification of its selection of KPMG to its stockholders for approval. If our stockholders do not ratify the selection of KPMG at the annual meeting, the Audit Committee may reconsider its selection of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2014. Even if the selection of KPMG is ratified, the Audit Committee, in its sole discretion, may appoint a different independent registered public accounting firm at any time during the fiscal year if the Audit Committee determines that such a change would be in the best interests of the company and our stockholders.

Representatives of KPMG will be present at the annual meeting and will have an opportunity to make a statement, if they so desire, and to respond to appropriate questions.

The ratification of the selection of KPMG requires the approval of a majority of the voting power of the outstanding shares of common stock present, in person or by proxy, at the annual meeting and entitled to vote on the proposal. Abstentions will be treated as votes against this proposal. Because this is a discretionary proposal, shares held by a bank, broker, trustee or other nominee may be voted with respect to this proposal if the owner of such shares does not provide voting instructions. For additional information on the voting requirements, see the section titled “Questions and Answers about the Proxy Materials, Annual Meeting and Voting.”

Principal Accounting Fees and Services

The following table shows the fees related to the audit and other services provided by KPMG for the fiscal years ended December 31, 2013 and 2012:

<u>Fee Category</u>	<u>2013</u>	<u>2012</u>
Audit Fees (1).....	\$1,072,588	\$1,221,755
Audit-Related Fees (2)	10,000	—
Tax Fees	—	—
All Other Fees (3).....	1,650	2,000
Total	<u>\$1,084,238</u>	<u>\$1,223,755</u>

- (1) *Audit Fees* includes the aggregate fees billed for professional services rendered for the audit of our annual financial statements for 2013 and 2012 and internal control over financial reporting, review of our Form 10-K and Form 10-Qs for the same periods, and quarterly reviews.
- (2) *Audit-Related Fees* includes fees for professional services rendered for assistance with review of documents to be filed with the SEC.
- (3) *Other Fees* includes the Accounting Research Online tool used by the company during 2013 and 2012.

Audit Committee Pre-Approval Policy

Our Audit Committee approves all fees to be paid for audit and audit related services, tax and all other fees of our independent auditor prior to engagement for those services.

The Audit Committee is responsible for the appointment, compensation and oversight of the work performed by our independent registered public accounting firm. The Audit Committee has adopted a pre-approval policy requiring it to pre-approve all audit and audit-related services and permitted non-audit services provided by our independent registered public accounting firm in order to assure that the provision of such services does not impair their independence. The Audit Committee pre-approved all services provided by KPMG in 2012 and 2013. The Audit Committee has pre-approved all services anticipated to be provided by KPMG during 2014.

The Audit Committee pre-approval policy sets forth specified audit, audit-related, tax and other permissible non-audit services, if any, for which pre-approval is provided, without further approval by the Audit Committee, up to a maximum fee amount set annually by the Audit Committee. Pre-approval is generally provided for up to one year, and any proposed services exceeding these fee levels or any services not specifically identified in the policy must be specifically pre-approved by the Audit Committee. Our independent registered public accounting firm and management periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval policy. The Audit Committee may also pre-approve particular services on a case-by-case basis and may delegate specific pre-approval authority to one or more members pursuant to a resolution adopted by the unanimous approval of the Audit Committee, provided that the member reports any pre-approved services at the next regularly scheduled Audit Committee meeting.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee oversees the company's financial reporting process on behalf of our board of directors. Management has the primary responsibility for the financial statements and the financial reporting process, including the systems of internal controls over financial reporting. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the company's audited financial statements for the fiscal year ended December 31, 2013, including a discussion of the acceptability and quality of the accounting principles, the reasonableness of significant accounting judgments and the clarity of disclosures in the financial statements. In consultation with management, the Audit Committee also considered the company's financial reporting processes and reviewed and assessed the adequacy of internal controls over financial reporting.

The Audit Committee discussed with KPMG LLP ("KPMG"), the company's independent registered public accounting firm, the overall scope and plans for the audit. The Audit Committee has met with KPMG, with and without management present, to discuss the results of its observations of the company's internal controls, and the overall quality of the company's financial reporting.

The Audit Committee reviewed with KPMG, who are responsible for expressing an opinion whether the financial statements are presented fairly in all material respects in accordance with U.S. generally accepted accounting principles, their judgments as to the acceptability and quality of the company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including those matters required to be discussed by Statement on Auditing Standards No. 16, Communications with Audit Committees, which superseded Statement on Auditing Standards No. 61, as amended and as adopted by the Public Company Accounting Oversight Board ("PCAOB") in Rule 3200T. The Audit Committee also reviewed and discussed with management and KPMG management's report and KPMG's report and attestation on internal control over financial reporting in accordance with Section 404 of the Sarbanes-Oxley Act of 2002.

In addition, the Audit Committee has received the written disclosures and the letter from KPMG required by applicable requirements of the PCAOB regarding KPMG's communications with the Audit Committee concerning independence and has discussed those disclosures with KPMG. In addition, the Audit Committee discussed with KPMG their independence from management and the company. The Audit Committee also considered whether KPMG's provision, during 2013, of services that were unrelated to their audit of the company's financial statements and to their reviews of the company's interim financial statements during 2013 is compatible with maintaining KPMG's independence.

Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and KPMG. Based on the foregoing reviews and discussions with management and with KPMG, and the receipt of an unqualified opinion from KPMG dated March 6, 2014 regarding the company's audited financial statements for the fiscal year ended December 31, 2013, the Audit Committee recommended to our board of directors that the audited financial statements be included in the company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013 for filing with the Securities and Exchange Commission.

Submitted by the Audit Committee of the Board of Directors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Indemnification Agreements with Directors

We have adopted provisions in our certificate of incorporation that limit the liability of our directors for monetary damages for breach of their fiduciary duties, except for liability that cannot be eliminated under the Delaware General Corporation Law (“DGCL”). The DGCL provides that directors of a corporation will not be personally liable for monetary damages for breach of their fiduciary duties as directors, except for any of the following: (1) any breach of their duty of loyalty to the corporation or the stockholders; (2) acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law; (3) unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the DGCL; or (4) any transaction from which the director derived an improper personal benefit. This limitation does not apply to liabilities arising under the federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission.

Our bylaws also provide that we will indemnify our directors and executive officers and we may indemnify our other officers and employees and other agents to the fullest extent permitted by law. In addition, our bylaws permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in such capacity, regardless of whether our bylaws would permit indemnification. We have entered into separate indemnification agreements with our directors, in addition to the indemnification provided by our certificate of incorporation and bylaws. These agreements, among other things, provide for indemnification of our directors for expenses, judgments, fines and settlement amounts incurred by our directors in any action or proceeding arising out of his or her services as a director or at our request.

Company Policy

We believe that business decisions and actions taken by our officers, directors and employees should be based on the best interests of the company, and must not be motivated by personal considerations or relationships. We attempt to analyze any transactions in which the company participates and in which a related person (as defined below) may have a direct or indirect material interest, both due to the potential for a conflict of interest and to determine whether disclosure of the transaction is required under applicable SEC rules and regulations.

In April 2007, the Audit Committee adopted a written policy and set of procedures for reviewing transactions between the company and related persons, including directors, nominees, executive officers, and any person known to be the beneficial owner of more than 5% of the company’s voting securities or any immediate family member of an executive officer or director. The policy also covers any firm, corporation or other entity which is owned or controlled by any such person, or in which such person has a substantial ownership interest. Prior to entering into a transaction with a related person, notice must be given to our General Counsel containing (i) the related person’s relationship to the company and interest in the transaction, (ii) the material facts of the transaction, (iii) the benefits to the company of the transaction, (iv) the availability of any other sources of comparable products or services and (v) an assessment of whether the transaction is on terms comparable to those available to an unrelated third party. If our General Counsel and Chief Financial Officer determine that it is a related party transaction, the proposed transaction is submitted to the Audit Committee for its approval. The policy also provides for the annual review by the Audit Committee of ongoing related person transactions.

Since the beginning of 2013, the company has not had any transactions with related persons that required disclosure under the applicable SEC rules and regulations, and no such transactions are currently proposed.

GENERAL INFORMATION

Delivery of Proxy Materials, Annual Reports and Notices of Internet Availability of Proxy Materials

The delivery rules regarding proxy materials may be satisfied by delivering a single copy of proxy materials to an address shared by two or more stockholders. This method of delivery is referred to as “householding.” Currently, we are not householding for registered stockholders, but brokers, dealers, banks or other entities that hold common stock in street name for beneficial owners of common stock and that distribute proxy materials they receive to beneficial owners may be householding. Such brokers, dealers, banks or other entities may deliver only one set of proxy materials to certain multiple stockholders who share an address, unless the company or such other distributor has received contrary instructions from one or more of those stockholders. We undertake to deliver promptly upon request a separate copy of any of the proxy materials to a stockholder at a shared address to which a single copy of these documents was delivered. Stockholders may notify us of their request(s) by calling (337) 233-1307 or by sending a written request addressed to our Corporate Secretary at LHC Group, Inc., 420 West Pinhook Road, Suite A, Lafayette, Louisiana 70503. In addition, stockholders who hold shares of our common stock in street name who prefer to receive separate copies of the proxy materials, or who are receiving multiple copies of proxy materials and who prefer to receive a single copy, either now or in the future, should contact their broker, dealer, bank or other record holder entity.

Incorporation by Reference

To the extent that this proxy statement has been or will be specifically incorporated by reference into any other filing of the company under the Securities Act of 1933 or the Exchange Act, the sections of this proxy statement entitled “Report of the Audit Committee of the Board of Directors” (to the fullest extent permitted by applicable laws and rules) and “Compensation Committee Report” shall not be deemed to be so incorporated, unless specifically provided otherwise in such filing.

2013 Annual Report

Upon the written request of any stockholder entitled to vote at the annual meeting, the company will furnish, without charge, a copy of the company’s Annual Report on Form 10-K for the year ended December 31, 2013, as filed with the Securities and Exchange Commission. Requests should be directed to the company’s Corporate Secretary at 420 West Pinhook Road, Suite A, Lafayette, Louisiana 70503 or by calling (800) 489-1307 or submitting an e-mail through our website at www.lchgroup.com by clicking on “Contact Us”. A copy of the Annual Report for the fiscal year ended December 31, 2013, which includes the Form 10-K, is being made available concurrently with this proxy statement. The Annual Report and the Form 10-K are not incorporated into this proxy statement and are not considered proxy solicitation materials.
